Vinay Raj 3:33 PM:

Hey Brian
Ronak asked me to move it out as most of the his participants werent available today..

Brian Buan 3:34 PM:

cool...that's good as Abhishek and I have not had a chance to connect yet
he knows that I'd like to speak before the call though...so I'll confirm to both you and Jose soon as that's done!

Vinay Raj 3:34 PM:

okie great
thank you
Did you see Ronak's email please?

Brian Buan 3:35 PM:

I have not seen that yet

Vinay Raj 3:35 PM:

I just had a chat with him... he is expecting this rollout to go smooth so we will use

Brian Buan 3:36 PM:

okay, that sounds reasonable to me

Vinay Raj 3:36 PM:

He brought up the Xoom issue and asked me about credentials purging etc... :)
I basically have danced around it and told him that
and we will have it taken care of...

Brian Buan 3:38 PM:

ugh...nicely done!
